Hello mister Bean
[How long have you been
In my memory
Do you know my trouble
All my life was hobble
I was so sady
Refrain :
I love you
Mister Bean
I love you
Mister Bean

For you Mister Bean
I would have peeled beans
With a knife
I would have combed my hair
I would have dreamed in my chair
All my life

But today Monsieur Beans
I hadn't planned
To be at your funeral
I had a thousand things to do
I wanted to go to the zoo
To see the animals
